

telehook®

Slim wall mount | Tilt Adjustable TH-3060-UT
 Designed for Displays from 32" to 60" (81 - 153cm)

Universal mounting from support up to 400x600mm

Suits medium weight displays

Up to 20° of adjustable tilt

Enhanced security

This mounting solution is designed to suit the latest range of mid weight flat screens. It features a quality steel construction with a slim profile and a sleek matt black finish. It can be installed on walls in a variety of environments and is easy to set up. The display bracket allows for height and horizontal adjustment during installation as well as tilt and horizontal adjustment post installation. The detachable bracket allows the display to be easily cabled before being lifted and slotted into place. For added security the the bracket can be locked to the wall plate**.

Product key features:

- Quality steel construction with a durable powder coat finish
- Designed for displays of up to 50Kg / 110lbs with mounting patterns from 100x200 to 400x600mm
- Designed for easy installation with in-built spirit level and slotted mounting holes for alignment
- Designed for flexible operation with adjustable horizontal positioning post-installation.
- Provides for optimum viewing with forward and backward tilt*
- Designed for enhanced safety with a lockable** display bracket
- Suitable for attachment to timber stud and masonry walls***
- Supplied with mounting hardware and installation guide.

Detachable display brackets allows for easy installation and provide up to 20 of tilt adjustment*

Quality steel construction with slotted holes for easy installation and adjustment

Bracket can be locked for added display security**

Integrated spirit level for easy installation alignment

* Maximum adjustment is 15 degrees forward and 5 degrees back. Larger displays may have a reduced adjustment due to the screen/bezel overhang
 ** Lock not included
 *** Direct attachment to plaster board/ gyp rock/etc is possible however additional dry wall anchors will be required (see your hardware supplier).
