

N15+

POS Touch LCD

Small Footprint

Removable Base
With VESA Mounting

The N15+ is a cutting edge 15.6" Multitouch LCD touch monitor with a perfect-flat, pure-glass, zero-bezel surface with Projected Capacitive (PCAP) touch technology.

Featuring a designed for touch, stable weighted base with cable management, the N15 is built to last.

The N15 is able to be used in a variety of environments due to it's ability to be wall or pole mounted using industry standard VESA mounting.

- USB Touch Interface
- VGA and HDMI Video Inputs
- 3 Year Warranty
