

AerMonitor

22" High Resolution Monitor

FEC signature AerMonitor series upgrades to a larger & better level! Introducing AM-1022, the brand new Aer Monitor in 22 inches screen, it is your best choice to present everything larger and clearer! The 22" bezel free P-CAP LED screen with true flat high resolution offers 2 types of brightness & backlight service hours to meet different requirement. AM-1022 is your ideal choice to be a main screen when connected to BOX PC and a 2nd screen to display all important information and marketing campaign.
