

# AerMonitor

15 or 17inch Bezel Free Monitors

**FEC**

# AerMonitor

We aim to exceed your expectations by providing high quality, reliable products with state of the art designs.

AerMonitor is a slim and elegant monitor that is offered with fifteen or seventeen inch display options. It can either be wall mounted, or combined with a base or pole, giving store owners a high level of flexibility. The modular design features also ensures high serviceability and reliability.

## Add-on Devices

All AerMonitor add-on devices use a USB interface for reliability, simple installation and maintenance.

USB I/O is on the right side of the display

## Features

OSD Controls: Display brightness, display power on/off

The display can be easily removed for quick and efficient maintenance.

The adaptor is hidden inside the optional base to save space.

## Peripherals

15inch AerMonitor with integrated pole-type customer display

15inch AerMonitor with base and 2nd display

One-step operation for quick access to the add-on devices

The display can be easily tilted for the best viewing angle.

Combine AerMonitor with a space pole for the best space efficiency.
