C5950

OKI
PRINTING SOLUTIONS

Business A4 colour and mono printing, giving a competitive advantage to demanding workgroups

The new high performance C5000 Series is the perfect solution for businesses wanting to work more productively, print more professionally and keep a tight control over costs.

No two workgroups have exactly the same print requirements, so the C5000 Series has been designed accordingly. The C5950 model is intended specifically for those who print mostly colour. There are also several options including extra trays, double-sided printing and enhanced document security.

This model offers a harmonious combination of hardware, consumables and in-box software, as well as PCL/PostScript as standard. This enables printing from a greater range of applications and easier printing of PDF's.

The C5000 Series. Printers with the performance to match the need.

The fastest, most professional business printers.

- Class-leading print speeds of 32 pages per minute (ppm) mono and up to 26 ppm colour.
- Fast time to first print at just 8 seconds for a mono page or 11 seconds for colour.
- ProQ2400 Multi-level technology and High Definition Toner together give a better level of detail, greater colour depth, reduced grain and a high gloss feel
- Graphic Pro colour management provides the tools to download colour profiles to the printer's hard disk for specific colour matching

Extend the possibilities of in-house printing.

- 64-203gsm paper support in sizes A6-A4 and 1.2m banners
- Free in-box Template Manager software allows creative in-house printing
- Automatic duplex printing available for professional double-sided printing, enabling booklet printing, reduced paper use and space saving.
- Input capacity of up to 930 sheets allows non-stop printing without user intervention.

Enjoy colour. Take control.

- Print Control enables the management of colour use and printing costs of each individual user
- Users are able to print confidential documents with ease due to helpful functionality, such as password protection

Designed for easy operation by all.

- Easy to change consumables, with a helpful gauge on the LCD panel clearly showing toner levels
- High capacity mono toner cartridges reduce running costs and user intervention
- Mono running costs are equivalent to many mono only products
- Auto Colour Balance ensures consistent results throughout the life of the printer.
- Photo Enhance provides stunning photo-like quality on ordinary office paper.

	Memory	256MB (01182901) or 512MB (01182902)			
	2nd tray	Optional (43347602)		Standard	
	Hard Disk Drive	40GB (01184501)			
	Cabinet	Optional (09004619)		Standard	

[2] Hard Disk Drive required.
[3] Includes all consumables.

Consumables Information: For the protection of your printer, and in order to ensure that you benefit from its full functionality, this model has been designed to operate only with genuine OKI Printing Solutions toner cartridges. These can be identified by the OKI trademark. Any other toner cartridge may not operate at all, even if it is described as "compatible," and if it does work, your printer's performance and print quality may be degraded.
